

## Anesthesiologist Regina, Saskatchewan Canada

**Exciting Opportunity for Anesthesiologists – Competitive Pay, Work-Life Balance & Family-Friendly Living  
Up to \$200,000 in [Recruitment and Retention Incentives](#) + \$25,000 Relocation Assistance!**

We invite you to join our dedicated team of anesthesiologists in the Department of Anesthesiology in Regina. You will be part of a close-knit group committed to delivering safe, high-quality, and efficient patient care. Our services are shared between two sites in Regina. The Regina General Hospital is our trauma center representing all major surgical specialties as well as full obstetrical service. The Pasqua Hospital is a community hospital and referral center specializing in Ophthalmology, Orthopedics, Plastic Surgery, General Surgery, Urology and Pediatric Oncology.

By joining our dynamic and growing Department of Anesthesiology in Regina you'll benefit from:

- **Highly Competitive Compensation** – Generous Fee-for-Service model, allowing you to maximize earnings.
- **Predictable Hours & Work-Life Balance** – Regular OR hours (07:45 – 16:00) and reduced schedules during holiday periods so you can enjoy more time off.
- **Academic & Research Opportunities** – Join the [University of Saskatchewan's Anesthesiology faculty](#), contributing to training the next generation of physicians.

### Why Choose Regina?

- **Affordability & Economic Advantage**– Regina offers one of the lowest costs of living in North America, providing better housing options and a significant economic advantage for you and your family.
- **Top-Tier Education** – Access to excellent top-rated [public](#), [catholic](#), and [private](#) schools, [colleges](#), and the [University of Regina](#).
- **A Thriving, Family-Oriented City** – Enjoy Regina's Safe neighbourhoods, beautiful parks, vibrant cultural scene, and outdoor recreational activities, all within a welcoming and diverse community. For additional details visit:
