

Oakville Laser Eye Centre is a state of the art outpatient cataract surgery centre performing 15+ cataract operations daily. Seeking a RCPSC board-certified CPSO-licensed anesthesiologist to provide IV sedation during cataract surgery in a professional premium environment.

We require an Anesthesiologist to provide Anesthesia services to adult patients undergoing elective cataract surgery in a level 2 outpatient OR facility.

Requirements include successful graduation from a reputable medical school and residency training program, board certification with the Royal College of Physicians and Surgeons of Canada, and licensure in good standing with the College of Physicians and Surgeons of Ontario. The applicant must also have valid Canadian Medical Protective Association coverage.

Minimum 15 cases per day. Remuneration is fee for service but guaranteed daily minimum of \$1,500.

OR days are Tuesdays and Fridays, 0700-1600. 1-2 days per week of work for a total of 4-8 days per month. OR is closed in the month of July.
