

Physician Chief – Department of Anesthesia

Mackenzie Health is a dynamic regional healthcare provider in one of Canada's fastest growing communities, serving a population of more than a half million people across York Region and beyond, conveniently located just north of Toronto. Nationally recognized for its commitment to safety and quality patient care, Mackenzie Health is a healthcare leader with a wide variety of academic partners and includes Mackenzie Richmond Hill Hospital, the future Mackenzie Vaughan Hospital, as well as a comprehensive network of community-based services in Richmond Hill, Vaughan and the surrounding communities. This is a time of incredible transformation at Mackenzie Health, with the opening of a second hospital in December 2020.

The Chief of Anesthesia will be instrumental in leading the department, as well as providing Anesthesia related medical oversight for the opening of the Mackenzie Vaughan Hospital. The Chief will lead and support a full range of initiatives related to quality and continuity of care, as well as play a significant leadership role in the operational readiness planning process related to the opening of the new hospital. This includes the development and oversight of an Anesthesia MD Workforce Plan and call coverage model for both hospitals as well as the eventual leadership of a department responsible for anesthesia services across both hospitals.

In collaboration with other programs across the hospital, the Chief of Anesthesia will lead a department consisting of approximately 25 Active Staff Physicians.

Position Description

Reporting to the Chief of Staff and in consultation with other medical leaders, the successful Chief will ensure high quality, effective and efficient services and care are provided by the Department of Anesthesia. As a member of the Medical Leadership Team, the Chief will participate on various leadership committees, including the Medical Advisory Committee and Hospital Quality Committee. The Chief will be responsible for providing leadership on strategy development and operational plans, including human resource planning; ensuring equitable and efficient resource allocation across two hospitals; capital and facility planning and management of quality, safety and risk processes.

The Chief will possess a Medical Degree approved by the College of Physicians and Surgeons of Ontario (CPSO) and possess certification in Anesthesia as recognized by the Royal College of Physicians and Surgeons of Canada.

Interested Candidates should submit their curriculum vitae (CV) by June 14, 2019 to:
