

**Position: Part-time Anesthesiologist, Term of 1 year, renewable  
Prince George Surgery Centre, Prince George, BC**

Prince George Surgery Centre (PGSC) is a private surgery centre providing surgical and post-op care to orthopedic and cosmetic surgery patients in a unique ambulatory surgical environment.

PGSC is currently seeking an Anesthesiologist for six to eight days per month of private, cosmetic, WorkSafe, and Health Authority-sponsored surgery, providing historical remuneration of approximately \$250,000 annually.

Additional work may be obtained from the University Hospital of Northern BC.

Successful candidates should have:

- Anesthesiology specialty training and a current license to practice in BC
- A minimum of two years-experience in full-time practice
- Strong communication and interpersonal skills
- Flexibility and commitment related to scheduling

Experience in solo practice is an asset.

Prince George is the centre of business, education, health and culture for northern BC, servicing an approx. rural population of 400,000 over an area of 600,000 square kilometers. Affordable housing, short commutes, a vibrant arts & culture community, and outstanding recreational opportunities make Prince George a desirable community to call home. A paradise for outdoor recreation; mountain biking, hiking, kayaking in the summer, and 41 ft. of powder in the winter are just a few of the options for adventure seekers!

Qualified applicants can email their resume and cover letter to [info@peopledynamicsinc.com](mailto:info@peopledynamicsinc.com) and copy to [drjschmid@pgsurgerycentre.com](mailto:drjschmid@pgsurgerycentre.com) with **Anesthesiologist** in the subject line of the email.

Thank you in advance for your interest. Only applicants selected for an interview will be contacted.
